Resort Offers 5th Night Free Plus 10% Off Rates**

Providenciales, Turks & Caicos Islands, January 20, 2013 – The year 2012 was truly an award-winning year for The West Bay Club on beautiful Grace Bay in Provo, and 2013 is beginning in a similar fashion. The resort was just notified by TripAdvisor that it has received the Travelers' Choice 2013 award as one of the "Top 25 Luxury Hotels in The Caribbean".

The luxury boutique resort located on the widest stretch of beach on Grace Bay was also excited to have received the following accolades during its 2012 banner year: the resort won the prestigious 2012 Magellan Award Silver category for "Hospitality Overall Beach Resorts"; Conde' Nast Johansens endorsed the resort as a "Recommended Property" in the category of Recommended Hotels, Inns, Resorts & Spas – The Americas, Atlantic, Caribbean & Pacific; the resort was recognized as a 2012 Fodor's Choice selection, which designates it as a leader in its field for service, quality, and value; and the resort received TripAdvisor's Certificate of Excellence award for its exceptional traveler ratings. In addition, the destination took home TripAdvisor's award for Grace Bay Beach being the #1 Best Beach in The World.

To celebrate this recognition, The West Bay Club is offering every 5th night free for guests who travel from February 1 through March 31, 2013. In addition, those guests will receive 10% off the published rates for accommodations of one bedroom or larger.

Managing Director Dane Underwood commented that "We want our repeat and new guests to celebrate our awards by experiencing the accommodations and personal service that resulted in the awards the resort received."

This special offer must be reserved directly with the resort, is not valid for studios, is based on the availability of rooms, cannot be combined with any other promotion, is being offered for a limited time only, and is subject to the blackout dates for the Easter Holidays.
